

Job Posting

Title: **Mathematics Teacher – Grade 7 to 12 (Full-time and LTO (one year))**
Department: Mathematics
Reports To: Head of Mathematics
Effective: September 2019
Posting Dates: January 28 – February 8, 2019

Havergal College is a pre-eminent Canadian independent school for girls from JK to 12. We are seeking an innovative, enthusiastic, and dedicated individual to join our faculty as a Grade 7 to 12 **Mathematics Teacher**. Openings are for permanent full-time (1.0 FTE) and LTO (one year).

Position Description

The Mathematics Department at Havergal College is distinguished by exceptional teachers who provide a differentiated approach to instruction. Through our mathematics programs, students develop critical thinking and problem-solving skills. Our facilities are well equipped and offer technology-rich learning environments. An ideal candidate would have experience leveraging a variety of teaching strategies that engage students to seek a deeper understanding of concepts.

As a Mathematics teacher at Havergal College, you will be confident in developing curriculum and approach teaching to reflect and broaden the ways in which girls learn. You will optimize the use of the technology available. You will support all learners with diverse strategies and approaches and bring innovative solutions to learning challenges experienced by students. Your classes will be engaging and dynamic; students see that you enjoy what you do. Students will find you to be approachable, available, knowledgeable, genuine and supportive. As a member of the Mathematics Department, you will work with other teachers in a collegial, collaborative and supportive manner. As a life-long learner, you will demonstrate a commitment to actively seeking professional development. You will participate actively in the life of the school.

Qualifications, Knowledge and Experience

In order to be considered for this position, candidates will possess the following qualifications, knowledge, and experience:

- Relevant university qualifications preferably at the graduate level, e.g., Bachelor of Education, and Bachelor of Science in Mathematics or equivalent;
- Certification from the Ontario College of Teachers and be a member in ‘Good Standing’;
- A minimum of 3 years exemplary teaching experience (experience in an independent school setting is an asset);
- A comprehensive understanding of current educational practices in the areas of curriculum planning and implementation of the most recent Ontario Secondary School Mathematics curriculum and assessment practices in line with *Growing Success*;
- A rich toolbox of teaching strategies for facilitating student success in mathematics, including those with different learning needs;

- Understanding of current research on girls and its impact on teaching and learning;
- A commitment to working in collaborative environments;
- Strong inter-personal, organizational, time-management and communication skills;
- A commitment toward continued professional development and growth; and
- Energy, commitment and a readiness to participate in the co-curricular program the diverse life of the school community.

Employment and Application Details

The appointments are effective September 2019. Our faculty and staff are the competitive advantage at Havergal College. We offer competitive compensation, including participation in the Ontario Teachers' Pension Plan, where applicable.

To apply, go to <http://tinyurl.com/HC-Teaching-Positions> by **February 8, 2019**.

We thank all candidates in advance. We will, however, contact only those selected for an interview. **No phone calls please.**
